### CHILDREN'S PROGRAM ON TUESDAY

I want to invite you to the Preachers' Fellowship Meeting here at Victory Baptist Church. The theme this year is, "THE JESUS DRIVEN CHURCH." This is a parody to the purpose-driven movement that has swept across America's churches. Though, on the surface, this purpose-driven movement may look good; however, when you look at the fruit, you see the fruit of me-ism. Even though *Me-ism* is not a word, it is a fact. The attitude of let's change the church to meet my needs; give me louder music, more programs to satisfy my perceived needs and let us mold the image of God into one that we can handle and wrap our arms around. For example, I saw on the shirt of a group of Christian Teens at McDonald's, it stated "Jesus is my Homey". My Christ, is not a homey, but unfortunately so many churches, even independent Baptist churches are going this same route of a lessened view of Christ. I believe this meeting will be a help to you and your people. Hope to see you here.
